The diagram shows a four-part input field for a skipass number, represented by four gray rectangular boxes separated by hyphens. The first box is small, the second and fourth are medium, and the third is small. Below the second box, a rounded rectangle contains the example text: '01-1234-12-123456' (with '01-1234' underlined), '19.03.20', and 'E'.
